

## PRESCRIPTION DRUG SOLUTIONS

### DID YOU KNOW?

- The cost to fill a prescription varies by pharmacy. Costco offers attractive pricing for prescription drugs through a combination of low dispense fees and overall lower than average prescription drug costs.
- Counselling services from Costco pharmacists are available to help you understand your prescriptions and help you achieve the best possible health outcomes. You can also take advantage of Costco pharmacy's complimentary health and wellness clinics.

### ONTARIO SUMMARY REPORT 2018

Pharmacy	Average Dispensing Fee Submitted
ALL PHARMACIES	\$10.10
<b>Costco</b>	<b>\$3.87</b>
Shoppers Drug Mart/Pharmaprix/Medisystem	\$10.58
Rexall	\$11.01
Pharma Plus	\$11.09
Walmart	\$9.51

A Costco membership isn't required to use the pharmacy. Costco sells health-related products including eyewear and hearing aids, but you must be a member to purchase any items other than prescription drugs.
